Eriez® Achieves Record Month for Shipments in November

Erie, PA--- Tim Shuttleworth, Eriez® President and CEO, announces that Eriez achieved a new record in November for the highest monthly shipment volume in the company's history. Shuttleworth explains, "This new record beats our previous record for shipments by nearly 20 percent."

"2011 has been an all-around successful and prosperous year for Eriez," says Shuttleworth. "This record-setting month is reflective of our overall growth."

To meet demand in 2011, Eriez invested in major expansions in Northwestern Pennsylvania and across the globe. In the U.S., Eriez purchased an additional building in Erie, PA, approximately 15 miles from its World Headquarters. Internationally, the company is also expanding in Canada, China, India and the United Kingdom.

Charlie Ingram, Eriez Vice President of Sales and Marketing, says the company's broad product offerings for many diverse industries contribute to Eriez' unprecedented sales growth. "When one market is soft, we have the

ability to focus on another market that is thriving,” he says. “In addition, we are particularly pleased with the amount of growth witnessed by our Erie facilities. That’s good news for the region.”

Eriez is recognized as world authority in advanced technology for magnetic, vibratory and inspection applications. The company’s magnetic lift and separation, metal detection, x-ray, materials feeding, screening, conveying and controlling equipment have application in the process, metalworking, packaging, recycling, mining, aggregate and textile industries. Eriez manufactures and markets these products through 12 international facilities located on six continents. For more information, call toll-free (888) 300-ERIEZ (3743) within the U.S. and Canada.
